- TDS is applicable from time to time as per the Income Tax Act, 2025 (IT Act) and Income Tax Rules, 2026. Currently, TDS is deducted when the aggregate interest paid / credited across all FDs, RDs exceeds the threshold limit of Rs. 50,000/- for residents and Rs. 1,00,000/- for resident senior citizens in a financial year (FY) for a customer.

This exemption is available if you are eligible and the total interest earned on your bank deposits in a financial year exceeds the TDS exemption threshold. If the total interest earned on your bank deposits is below the TDS exemption threshold, submission of Form 121 is not required. The term "banking system" refers to Scheduled Commercial Banks and Payments Banks. Banks (whether lending banks or otherwise) are required to monitor all Current Account, Overdraft, and Cash Credit accounts on a regular basis, at least on a half-yearly frequency. This monitoring must specifically consider the aggregate exposure of the banking system to the borrower vis-à-vis the individual bank's share in that exposure, in order to ensure compliance with the said instructions. Detailed guidelines are available in the aforementioned circular.
